HAPPY DAY FARM

# Churning Fourteen

## Materials Usage Notes

Churning Fourteen uses 14 Fat Quarters for quilt center, divided into Stack 1 and Stack 2. For this sample, 15 FQs are from the Happy Day Farm collection by Dan DiPaolo and one is a Clothworks basic, Impressions Moiré.

If using Happy Day Farm 17-piece FQ pack: three FQs and included panel not used in this quilt; reserve for another use.

### Stack 1

### Stack 2

### Cutting Notes:

Stack 1 forms the background of the large and small churndash blocks and the foreground of the medium churndash blocks.

Stack 2 forms the background of the medium churndash blocks and the foreground of the large and small churndash blocks.

These FQs from the FQ Pack were not used in our sample:
