## Cutting

### 1. Panel:

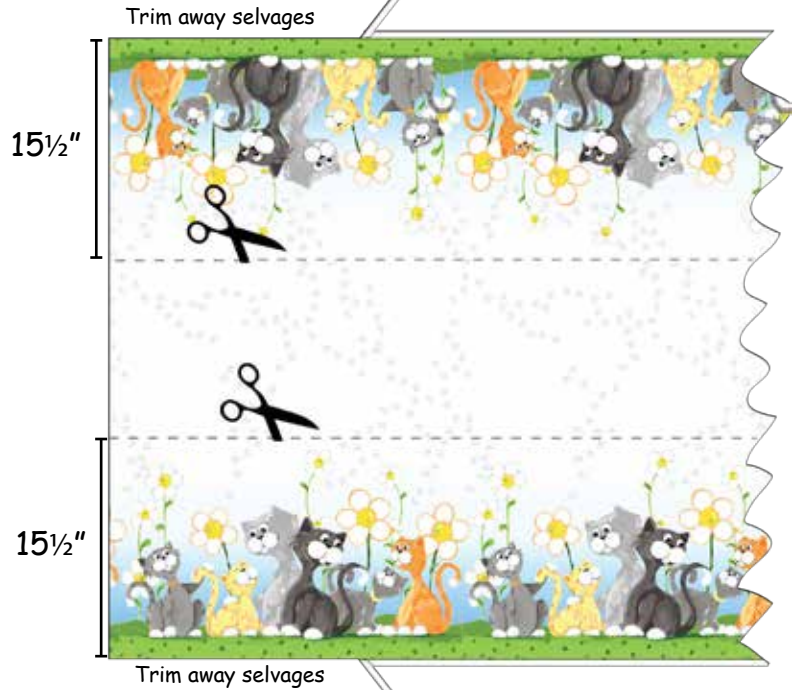

Square to  $41\frac{1}{2}$ " X  $34\frac{1}{2}$ "

### 2. White Double Border:

Trim away selvages from border fabric.

3. Cut strips  $15\frac{1}{2}$ " wide X length of fabric, from both sides of fabric.

### 4. From length of fabric strips, sub cut:

- (2)  $72$ " X  $15\frac{1}{2}$ ", for top and bottom borders.
- (2)  $65\frac{1}{2}$ " X  $15\frac{1}{2}$ ", for side borders.

## Quilt Assembly

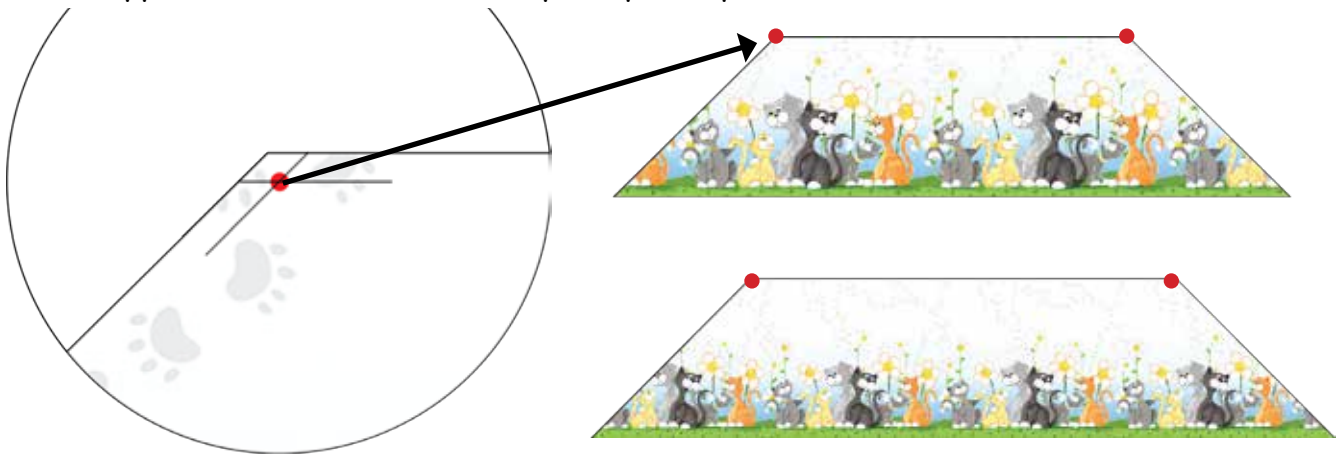

1. On each corner of the panel, place a dot at  $\frac{1}{4}$ " seam intersections.

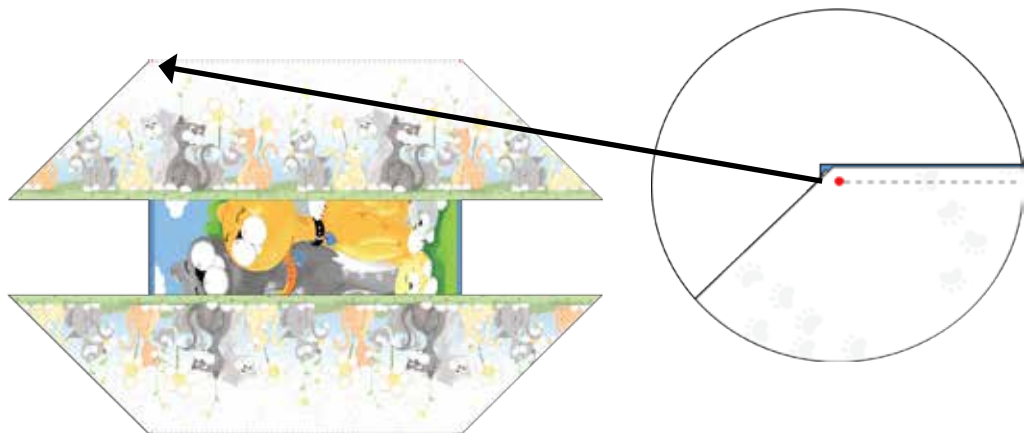

2. Make a mark  $15\frac{1}{2}$ " from upper corners of all border strips as shown. Draw a  $45^\circ$  from mark to outside corner, then cut on line.

3. On upper corner of each border print piece, place dot at  $\frac{1}{4}$ " seam intersections.

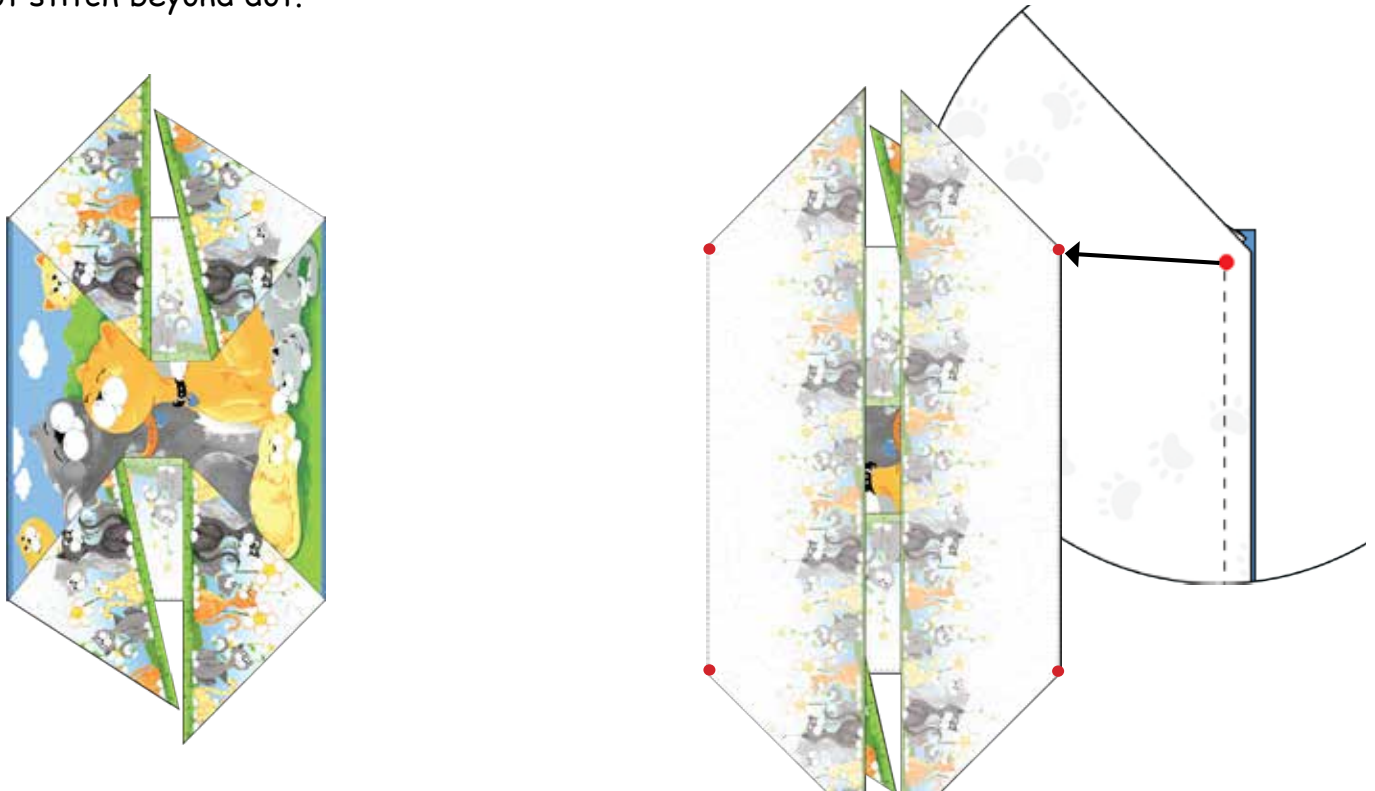

4. With fabric face to face, stitch side border pieces to panel matching dots. Do not stitch beyond dot.

5. Fold side borders out of the way, Position and stitch top and bottom borders, matching dots. Do not stitch beyond dot.

6. Fold quilt on diagonal with right sides together. Align unfinished border strip seams. Stitch seam  $\frac{1}{4}$ " starting at dot toward outer edge. Repeat on remaining three corners.

Start stitching at dot. Stitch toward outside edge.

## Quilt Finishing

- Layer quilt top with batting & backing.
- Quilt as desired.
- Square quilt.
- To prepare binding, trim selvages from binding strips & stitch together on short ends.
- Bind as usual.
