Denim Rainbows Y4154-88	$\frac{3}{8}$ yard	1 bolt	1 bolt	Backing: Green Digital Portholes Y4152-21	3 $\frac{1}{2}$ yards	3 bolts	5 bolts

\* See cutting guidance on separate page. Pattern calls for 8 FQs to make up block centers. The Storybook Panel provides 12 large centers (fussycut); cut remaining large centers from Packed Animals. Cut small centers and rectangles from Packed Animals and the three listed FQs. For guidance constructing fussycut blocks, see "Got Scraps" section on page 4 of pattern.

# Cutting Guide: All About Me

By Atkinson Designs • Lap Size: 55" x 66"

"All About Me" contains instructions for cutting blocks from FQs AND alternate instructions for cutting individual blocks. For this version, both types of cutting are used.

You will have extra small square and rectangle block centers. Use a design wall or follow the sample image to determine placement of these pieces before beginning to construct the blocks.

1. Fussy-cut & sash 12 Storybook blocks (including front and back cover) using the "Got Scraps?" section that covers how to construct individual blocks. If desired, fussy-cut the lion and giraffe motifs that decorate the instructions panel to use for small square block centers. *Figure 1.*
2. Cut the 1/2 yard of Packed Animals into 2 FQs, then proceed according to the cutting & piecing method outlined in the main pattern on Page 1. This will make up the remaining four large block centers plus four small square and two rectangle block centers. Note: the fabric is directional. Consider this when deciding where to place the Packed Animal rectangle blocks in your final layout. *Figure 2.*
3. The three remaining FQs are used only for small square and rectangle blocks. Cut strips according to the diagram below and subcut according to pattern instructions. Each strip yields two small squares and one rectangle. *Figure 3.*
