Leftover panel piece makes a matching pillow; use your favorite method!

Let your creativity shine! Build a class around this fascinating technique in which the sewist uses hexagons to extend the panel motif into a kaleidoscopic swirl. Every quilt will be unique!

Fabrics	1 Kit	10 Kits	20 Kits
Christmas Tree Panel Y3534-116 (7 panels needed)	4 2/3 yards	4 bolts	7 bolts
Flange frame & binding:			
Royal Blue Diagonal Plaid Y3540-31	3/4 yard	1 bolt	1 bolt
Inner border: Blue Ornaments Y3538-31	1/2 yard	1 bolt	1 bolt
Outer border: Dark Denim Christmas Toile Y3536-89	1 5/8 yards	2 bolts	3 bolts
Backing: Dark Royal Blue Holly Y3539-92M	4 1/2 yards	3 bolts	6 bolts

\* In sample quilt, 6 entire panels are used for making hexies but some were not used in the final layout. Finished size and look will vary depending on how many are used. Pattern instructions show how to adjust quilt to various panel sizes including off-center placement as shown here. Outer borders are cut LOF to avoid piecing.

Add'l requirements: GDQ-60R 5 1/2" 60 degree ruler.
